

2018 PARCC testing at Crestwood School

Tips for Taking the Test

- Watch your time and pace yourself.
- Read the directions carefully and circle all the tasks.
- Read or listen to passages carefully.
- Unless you are 100% sure a multiple choice answer is wrong, do NOT change it.
- Use many relevant details to support your writing.
- When you are done, go back and make sure you answered all the questions.
- Relax. You know everything you need to be successful.
- If you feel yourself experiencing test anxiety, take a deep breath and remind yourself to relax. You know everything to do well on the test.
